- California Polytechnic State University:** San Luis Obispo, California 2014-2019
Bachelor of Architecture
Graduated: Spring 2019
GPA: 3.89: Summa Cum Laude
- Cal Poly LA Metro:** Off campus program in architecture and urban design Jan -June 2018
- Studio Ticino:** Architecture study abroad in Switzerland June -Sept 2017

WORK EXPERIENCE

- Murmur** Los Angeles, CA Jan -Sept 2018
Designer: Drafted and prepared construction documents, including updating and coordinating drawings, maintaining schedules, detailing, corresponding with contractors, and specifying products both as the sole employee and in a team of up to three student interns.
- Quattrocchi Kwok Architects** Santa Rosa, CA Sept-Dec 2017
Intern: Drafted design development drawings and construction documents in ArchiCAD, graphically prepared project proposal submissions, and developed renders for multiple K-12 school projects.
- Farrell Faber and Associates** Santa Rosa, CA June-Sept 2015, 2016
Intern: Digitally modeled and rendered single and multi-family housing, designing presentation scheme and replicable templates for delivery to clients, preparing drawings for submittal.
- Hedgpeth Architects** Santa Rosa, CA June-Sept 2015
Intern: Modeled and rendered massing studies for multi-family housing and commercial buildings in Rhino, as well as modeled in real-time in collaboration with the architect and client, as a way to display the design as it was developing.
- Architecture Department** Cal Poly Jan 2016- Present
Architecture History Teaching Assistant: Selected by University to assist in architectural history lecture class. Proctored and graded exams, maintained on-line portal for class.
- Digital History Assistant:* In collaboration with inter-disciplinary students and a professor, designed and produced representation for Japanese architectural history research. Feb -June 2016
